

parallel\_rng::ParallelRng  
Manager::resample\_dist

```
graph LR; A[parallel_rng::ParallelRng  
Manager::resample_dist] --> B[parallel_rng::ParallelRng  
Manager::generator];
```

A diagram showing a call from a function to a generator. On the left, a gray rectangular box contains the text 'parallel\_rng::ParallelRng' and 'Manager::resample\_dist'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'parallel\_rng::ParallelRng' and 'Manager::generator'.
